Face Reading/Diagnosis Apprenticeship Program

The Intensive Certificate Program has been expanded to three modules of two days each that will teach participants how to become proficient and professional Face Readers and Diagnosticians. A fourth module specialization may be chosen to achieve Mastery Level. Students will gain access to Lillian's in-depth knowledge about the specific details of face reading in the same apprenticeship method that she learned from her family to become a Master Face Reader.

Module 1: Inheritance and Potential Jing, Qi, the Facial Maps of Life Experience and the Extraordinary Meridians.

Module 2: The Body Blueprint Sizes and Shape of Features, Markings, the Underlay of Disease and the Synthesis of Traits.

Module 3: Signs from the Shen - Fire and Focus, and Peach Luck, the Map of Emotions, managing emotions. and Shen Disturbances.

Module 4: Mastery Level: Special Topic Seminars – Face Reading for Business, Advanced Medical Diagnosis, Psychological Face Reading, Matchmaking, International Interpersonal Communication.
